OVERVIEW

Providing learners with a broad overview of the latest developments and important current concepts in the multidisciplinary treatment of oncology patients.

Fostering collaboration, sharing best practices, building a forum for peer-to-peer interaction among Advanced Practice Providers who are actively engaged in the care of oncology patients.

Offering intimate learning environments to facilitate interaction between learners and expert faculty with opportunities to discuss patient management issues and practical application in the clinic.

What makes the APP Oncology Summit different?

- ✓ Designed specifically to meet the needs of Nurse Practitioners, Physician Assistants, Clinical Nurse Specialists, Oncology Pharmacists, and other healthcare professionals involved in the management of oncology patients.
- ✓ We pursue four types of CE credit for each summit location, including AANP, AAPA, ACPE, & ANCC.*
*See website for complete details.
- ✓ Our streamlined online experience puts the summit at your fingertips, including paperless registration, live discussions, interactive course content, evaluations, and online certificates.
- ✓ We keep our registration fees as low as possible to allow learners to receive the highest value for the number of CE credit hours offered.
